Kenderton School Uniform
2017-2018

Dear Parents,

When we prepare our children for school, we prepare them for life. Our number one job at Kenderton Elementary is to provide your child with a world-class education that prepares them for college and career. To ensure that all students are learning and thriving in a positive and safe environment, students will be required to wear the school uniform at all times. We work each day to encourage students to be successful at their job of learning. We ask that you do the same by supporting our standardized dress (school uniform). We believe standard dress has a positive impact on students' learning and behavior in and around the school, serves to unite students and increases school pride.

Kenderton Elementary students are expected to participate in our standardized dress.

Please read below to clarify what the standard dress should be to ensure that your child is in correct dress at the start of the new school year.
